## **Presidents Report--Lowood**

Hi Members

A very enjoyable rally held at the Lowood Showground for July 2017. The weather was very good except for the rain on Thursday night and Friday. The remaining time was sunny and warm although cold morning and early nights.

A total of 68 caravans attended this rally; under the circumstances the numbers were amazing.

Friday lunch and Friday dinner saw over 60 for both occasions attend the local hotel. I am sure the hotel management is happy with the attendances and our spending. All reports everyone was happy with their meals.

Attending this rally first time visitors were Alex and Karl Scrubsole friends of Rod Stegeman. Also, Valmai & Ted Huber they are friends of Gene & Colleen Medford.

Second time visitors Margaret King & Geoff Crawford also Jan Kirby & Owen Noffke, I hope you all enjoyed the rally and we see you at a rally in the future.

Third time visitors who were inducted into the club at the meeting on Saturday morning were Lesley Siffleet & Michael Burdette, Christine & Paul Benseman also Marilyn & Bob Tebbit they were introduced by Denise & Terry Park.

Day visitors were Corinne & Ted Forster, George & Yvonne Lacey, Gail & Bruce May and Connie Miers John's mother.

Pat & Graham Barr were presented with their 50<sup>th</sup> rally badges at the Saturday mornings meeting.

Bev & Rod Green also were presented with their 150<sup>th</sup> rally badgers also at this meeting. I think they were a little surprised to achieve this very special award.

Thank you to Yvonne Robbins who helped 13 ladies on Friday afternoon to make a bag. This was very well attended and enjoyed by all ladies who attended this session.

Thank you to Carol & Kevin Day for your time and effort with the Line Dancing session on Friday afternoon. I am sure those who were present have learned more skills and more patience performing these different dances.

Saturday night we all had the opportunity to participate in three dancing activities. The first was for all members involved with line dancing, run by Carol & Kevin Day. Good to see the amount of members participating, also our male members in a special dance segment.

We all had the privilege of watching the display of our square dancers; they really made the night a total success with their skills. Then members had the chance to learn more skills run by Colleen & Gene Medford with Steve Langley.

The last activity was the old time dancing with again Carol & Kevin Day. Going by the comments, everyone enjoyed the night. Thank you to the organising committee and all the helpers for making a fun and enjoyable night.

Thanks to the rally marshals Dennis Edney & Muzza McGowan for your skills in parking 68 caravans. Your expertise is very much appreciated by all members. Good to see all who stayed on Sunday night enjoy a combined happy hour around 4 fire boxes. This was a great success and thanks to Bob, Roy, Rod and Terry who supplied the fire boxes and wood for an enjoyable afternoon. Stay safe, healthy, happy, and look forward to seeing you all at the next rally in August at Nanango Showgrounds..... President John

## **Saturday—7.00pm---Muckers...Fun and Games with Pat Hetherington as MC**

This is a boisterous game derived from the children's game of LUDO. It is played throughout the world by members of the Commonwealth Navies with their own rules. In enthusiasm by sailors, it comes second to Field Gun Crew Racing. The more boistrous the game the better. If you read books about Naval ships and war stories they refer to the game as "Uckers" it does have its own rules. For the QCC game we have simplified the rules so that everyone can take part and the game will take about 1-2 hours to complete. Then we had to come up with a name. We decided on "Muckers" as a major object is to Muck up your oponents moves. It is a game of critical tactics. We play with four teams each team has a captain (tactician) Jackie Smith and Kathy Kearny amongst our best. Each team has a Captain. Dice collector and a board mover. All the rest is done by the team. Rules and tactical advice will be on the notice board before the evening. Oh one rule. referee's decision is final. Referee is Patrick. First tactic is Cheat if possible, it is opposing teams responsibilty to prevent cheating. Again referee's decision is final.

**More from Patrick... Almost ran off road into creek after being blinded by the setting sun. Moral of story, do not drive against the sun when it is only 2 degrees above your horizon. No damage done, but years of motorsport builds in Natural reaction, saved me this day.**

### **Lowood Larrikinisms over the Weekend !!**

Thursday and Friday caused the Rally Marshalls a bit of angst, with 50% more vans arriving than expected (hence the reminder earlier about letting Brenda Know if you are attending the next rallies in good time.) but true to their jobs ,they sorted it out...

During my wanderings around the site, I came across this scene underneath the main Hall.....Reminded me very much of the horrific stories of the Bangladeshi Sweat shops...'cept of course our lovely Ladies were all smiles ...lol

No, the pics below aren't from one of the above mentioned "Sweat Shops", but photos of the factory of **Montague Burtons**, at the time the largest clothing factory in the World. It was in my home Town of Leeds, England.

**Sir Montague Burton**, a Jewish Immigrant to England from Russia at 15. In 1903, when 18, he borrowed 100 pounds from a relative to start his first tailoring business. He was a very forward looking employer, having the companies own health services ,hot meal at Lunchtime and very liberal working conditions for the **10,000** employees and spent his life fighting for good working conditions for all workers. No doubt many of our members will remember the name well.

Hows that for a History lesson in a nutshell!

Friday afternoon also saw a re-emergence of our Line Dance lessons, although not quite the same format as used to....A little "skulduggery" was afoot as became apparent on Saturday night !

As usual the Hotel next door to the Showground was too close to be overlooked, so seemed that every body and his dog turned up for dinner! I recommended it, as it is my local and we dine there quite often. Not cheap but plenty of it and good !

In case some of you weren't aware, Yvonne and I were Day visitors this Rally. It is such a long, exhausting job getting the van ready and getting here, we decided to leave it home!! These pics from the Hotel are the only ones which were usable as I forgot my camera and used Yvonne's "I" phone with disastrous results !

The last of the three may be a bit puzzling to the majority, but the people in the photo will know what it's all about. If your interested, ask Ray Mc Donald about it.....The Moral is ,don't upset the editor !!!

Sadly ,I had to give up my card night part way through, due to the fact it was so cold, my hands started cramping up so badly I just couldn't hold the cards. So I sorrowfully skulked off to my nice warm bed just down the street at home !!

I had to miss the Saturday morning meeting due to a prior commitment, but returned in time for the Nights goings on. Many thanks for pics taken for me by Lance at the Morning meeting..

What a Saturday night. A terrific mixture of dancing styles. MC was the man of many talents, Kevin Day

The night kicked off with a number from our own, QCC "Cluster of Pluckers" Ukulele Band.

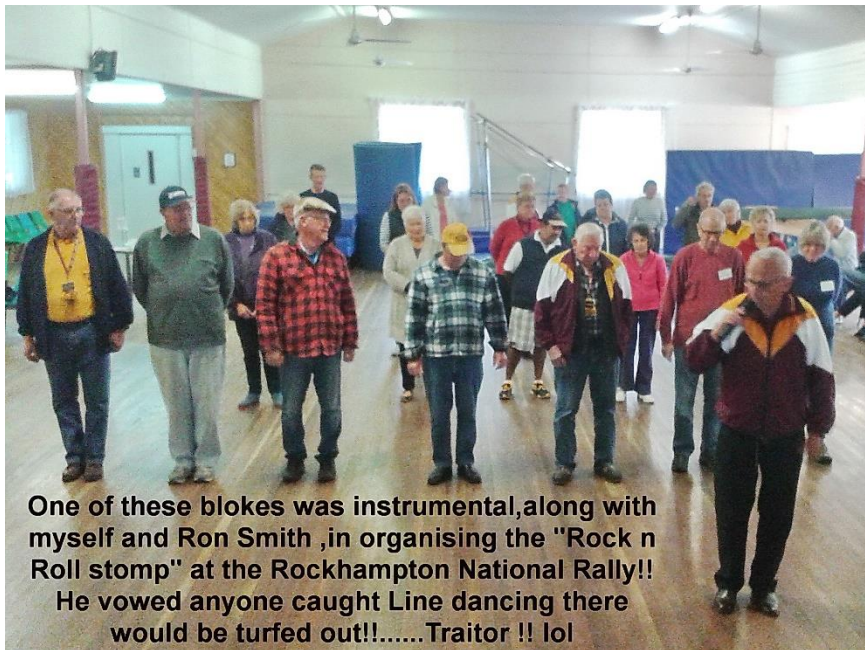

The First Dance item was a Square Dance demonstration by the QCC Dance troupe, called by Colin Medford, followed by another from Steve Langley. Then the rest of the Audience were let loose on the floor.

Next came my favourite of all..not !!! ,Line dancing. This was the culmination of the daytime practicing by the fellas. Gotta give Kevin his due. He must have the patience of two job's trying to knock this mob of rag tag "volunteers" into some semblance of order.!! Unfortunately, I only managed to get a couple of photos of this

Historical (or should it have been hysterical ) event and had to use one for dual purposes... 1. To show who was participating and 2. My thoughts on one nameless individual in the group...

One of these blokes was instrumental, along with myself and Ron Smith, in organising the "Rock n Roll stomp" at the Rockhampton National Rally!! He vowed anyone caught Line dancing there would be turfed out!!.....Traitor !! lol

3 Practise shots follow !

Look Folks , no hands!!

Careful there Adrian, ya supposed to hook your thumbs over your belt...if you pull upwards you'llm give yourself a very hard Wedgie and a high voice...

OMG, this is only the rehearsal and me knees have had it..

Third item was Old time dances and as I can't tell one dance from the other the pictures may be mixed up ....Duh.! This section was accompanied by Gene Medfords vocals.

Then of course the inevitable Conga line to “running bare” and the Chicken dance !! There are no photos of these two dances as I was busy videoing them.

There are half a dozen videos of the nights going on and they have been loaded onto the QCC FaceBook group site. Join now !! membership is up to 50 at this point.!

And lastly would like to use this Lovely and rare picture of Robyn and Steve Langley to say good night after a lively Saturday nights Entertainment.

Below , a few items on my wanderings around the Rally site. Some of pics by Lance.

That's all folks. See you all at Nanango
