## Presidents Report

A very enjoyable President's Picnic rally held at Toogoolawah Showground. Although the days were very hot and humid, we had a severe storm on Sunday afternoon. This helped cool the temperature down dramatically after the storm, ready for a good night's sleep. Unfortunately Graham and Pat Barr lost their awning due to the very strong winds during the storm.

We had 68 caravans attend the rally. We had first time visitors Kerry & Dianne Hogan and Otmar Leskow. Also, second time visitors Noel & Olive Jones and Paul & Marina Bruno. I hope you all enjoyed the rally on the weekend, and return to another rally in the future.

Friday lunch time, twenty members attended the local hotel for lunch. Friday night 45 members attended the hotel for dinner, from all reports the meals were very good, although slow at night getting their meals.

At the meeting on Saturday morning Gary & Noeleen Jarrett were presented with their 50th rally badges. Also, Bert & Yvonne Beker, who were presented with their 250<sup>th</sup> rally badges. They have been members of our club for 34 years, filling in various Management positions. Congratulations to both couples on your special achievements in our club.( cont. Page 2)

Whilst all care will be taken to comply with this request, no guarantee can be given that this will not occur.

Saturday afternoon we had the ladies singles disc bowls championship. A total of 30 ladies participated with the final between Denise Waycott and Nerida Versace. Denise Waycott was the eventual winner with Nerida Versace the runner up. Thank you to all ladies who entered the event and the event was very competitive, with many games being very close. Thank you to all the helpers who made the event run smoothly, also Roy Bridges, Terry Park & Ian Egan for your organizational skills.

Saturday afternoon we had the Presidents Picnic under warm conditions but it managed to cool down a little later in the afternoon.

I would like to thank my wife Jenny, all the helpers who help in the preparation and serving of the hamburgers. You all did a great job.

Thank you Adrian Savage and all your helpers with the cooking of the BBQ and organizing table and chairs for the picnic.

Neil Chesney, thanks to you and all your team with the setting up and cooking of the pancakes. I am sure everyone enjoyed the pancakes with maple syrup, fruit salad and ice cream. I was very happy with the overall day for the Presidents Picnic.

Sunday lunch 24 members decided to have lunch at the local hotel, in the air conditioned room away from the excessive heat. Everyone was happy with the meals and service was good. It gave our members a chance to have a chat and enjoy each others company.

Due to the storm Sunday afternoon the combined happy hour and singalong started late at 5pm. All members had a good time and enjoyed the music leading into dinner at night.

Don't forget the next rally at Widgee Pony Club is a bush rally with **limited power and no water**. The members who require power to run their sleep machines will be given priority.

Stay safe, healthy, and happy, and look forward to seeing you all at the next rally at Widgee Pony Club in March.

## Rally Program for Widgee

Friday--- Craft with Yvonne Robbins.

As we will not have power at Widgee I have an appliqué of a caravan which you can decide what you would like to make with it when completed eg-: a bag, cushion, apron etc

For your background fabric ½ meter. Scraps of fabric to make the caravan

½ meter of Vliesofix (it's a paper with sticky webbing used in appliqué) can be purchased at spotlight, Eastcoast fabric or any patchwork shop

Pencil, scissors, needle & thread and any other bits & pieces you feel you need

I'll have a light box. **No sewing machines are required**

**Friday and Saturday evening**---the Sportsmens Bar venue puts on very reasonably priced meals, including a bar, so you can have a good, well priced feed without leaving the venue, But **No BYO drinks**

Cards etc. afterwards...

**Saturday Evening**---6.00 PM, C&W trio led by Neil & Linda Hanson

**Ok Members, please read this interesting article to the end !!!**

**Learning To Play The Didgeridoo Helps Sleep Apnea.!!!**

While there are many established methods of treatment such as weight loss in the presence of patient obesity and the use of CPAP machines (a breathing apparatus that creates positive pressure in the throat to prevent soft tissue collapse), there's a rather novel treatment that has established clinical efficacy:

The Didgeridoo is a wind instrument created by the Aboriginal tribal peoples indigenous to Australia. Successfully playing the instrument

requires excellent breath control and development of the muscles supporting the airway. A 2005 study found that patients suffering from snoring and sleep apnea had improved sleep quality and decreased symptoms when trained to play the didgeridoo.

The didgeridoo remains the recommended instrument to take up simply because it requires significantly less training to satisfactorily play than, say, a bassoon.

From the USA National Institutes of Health (NIH):

“One of the challenges in the treatment of sleep disorders is poor compliance. Thus new treatments not only need to be effective but also be ones that people are motivated enough to use. Didgeridoo playing seems to meet these requirements. Participants were highly motivated during the trial and practiced, on average, almost six days a week, which was even more than the protocol asked for. Regular playing of a didgeridoo reduces Sleep Apnea and snoring in people with moderate *Obstructive Sleep Apnea Syndrome* and also improves the sleep quality of partners. Severity of disease, expressed by the *Apnea-Hypopnoea Index*, is also substantially reduced after four months of Didgeridoo playing.”

Now members, yet another group activity could be added to our ever growing list ( Golf, walking ,Crafting, Tai-Chi, line dancing, weight watching, Ukelele Strumming, jam sessions), etc. I'm sure the local indigenous populaion in Widgee will have a stall open selling Didgeridoos by the time we get there. We may be lulled to sleep every night by the drone of Didgies, which luckily, don't require power!!

"He's playing 'Dancing Queen' on his didgeridoo... That must be an Abba-original!"

### Friday.

The Ladies gathered in good numbers for the Friday craft classes run by Yvonne Robbins and helpers.

The Evening "Local hostelry" visit had the usual hungry crowd assembling for very nice meals. As is usually the case (and despite early warnings of our impending arrival) the staff were a little overwhelmed, resulting in a few bumbles, but all sorted amicably by supply of complimentary additions.
