PRESIDENT'S REPORT

August 2021

What a pity it was to cancel the much anticipated rally at Gin Gin. The Gin Gin rally was shaping up to be very special. With 68 vans to go to Gin Gin it would have been the best attended rally since July 2019 (66 vans). For the first time the Club had asked members to travel more than 200 kms from Brisbane to attend a rally.

But alas, it was not to be. Despite the Queensland Government lifting the Covid-19 lockdown affecting 11 Local Government Areas, the very strong recommendation from the State's Chief Medical Officer was not to travel into regional Queensland. For the safety of both our members and the Gin Gin community the rally was cancelled.

Gin Gin still beckons, and when all is right we will go there.

Now, we all look forward to the State Rally at Pittsworth which lasts for a full seven days from 16 September. If you can assist the organizers in any way please contact Paul Brearley (0428 104 989) or Kevin Day (0418 777 192).

Travel safely, and I will see you in September at the State Rally.

Nil Attendance at Gin Gin

Heard through the grapevine that some members did make it to Gin Gin—
Hope you had an awesome time.

Terry & Denise Park and Paul & Di Brearley had a great week on North Stradbroke Island, this was to make up for not going to the Gin Gin Rally.

Taking advantage of the Sealink Winter Special where caravans can travel on the Ferry for free. Return fares then costing \$209 which makes it very affordable. Each day was spent doing a little sightseeing of the must-see areas. Our favourite spot was Point Lookout which has incredible scenery. There were lots of whales and even a

turtle swimming below the cliffs.

The Blue Lake which was a 6km walk to see and we all questioned if it was worth it.

The koalas were everywhere and a joy to watch, one fellow at Cylinder Beach walked right up to us. We checked out the golf course but did not play.

Curlews are in abundance on the island and not timid at all. They would stand only a few feet from us and not move.

Terry got some great photos of their big eyes.

Our van sites were at Adder Rock campground which we have agreed is the best. Amity Point had a lot more sites, Cylinder Beach was a lot smaller. These campgrounds are all run by Minjerribah Camping. A discount for being RACQ members was an added surprise.

We had some great meals at various restaurants and really enjoyed the fresh seafood from Rufus Seafoods at Amity Point.

Not easy coming back to reality.

GOLF NEWS—Two Long term players of golf competed in a game of Golf over the last month. Player one had been beating player two for the past three years. Unfortunately Player two beat player one. Player one (Jimmy Holt) sulked for days as he is very competitive. Player two was in his element and decided that since a golf player is only as good as his last game, he would only challenge player one in six months time

CATCHING UP WITH LIFE MEMBERS:

A decision was made by your new Committee to keep in touch with Life Members whom we don't see at rallies any more. So, because I am the old girl on the Committee who knows all of the Life Members, I was lucky enough to be the one to contact them from time to time.

So, deciding to contact them on their birthday and wish them a happy birthday from the QCC, I had the opportunity to catch up with Eue Boyle and Margaret Thomas, both having birthdays in August.

It was lovely to have a chat with both of them. I remember Eue as being Treasurer of the Club for many years and often think of him and Jill, especially on their anniversary which is the same day as ours. Fond memories there of the dinners at the Police Credit Union Building in Roma Street and of the "fun and different" anniversary cake presented to both couples at a rally many moons ago.

Margaret sounded her usual happy self with Stan in the background. They are doing well and keeping active – Margaret with her craft group and Stan making his bird feeders. If ever we wanted a trophy for a club event, Stan was the man to make one for us.

It was lovely to catch up with these Life Members and remember their contribution to the Club in days gone by.

Pittsworth State Rally Help Needed. Attending the Pittsworth State Rally? A number of Volunteers are still required to make this event an outstanding success. Assistance would be most welcomed and appreciated. If you can assist, talk to Adriane Skinner or Barbara Rutherford of your availability.

All Areas still require Volunteers. QCC is always a contributor to the state Rallies. HELPPPPPPPP PLEASE.

NATIONAL RALLY—BAREMA

NATIONAL RALLY REPORT:

As at the end of July, there were 389 registrations for the 18th National Caravan Rally to be held in Barmera, South Australia from 28 March to 6 April 2022, just 7 months away. Of these total registrations, 25 vans are from the QCC. The final instalment for the Rally is due by 30 November 2021 so it is still not too late to register.

The newsletters coming through are full of interesting information about the Rally and can be viewed on the website. As is usual at National Rallies, a call goes out for knitted and/or crocheted items such as beanies, rugs and trauma teddies to be donated to local charities. Patterns are available on the website or I am sure our talented ladies have plenty of their own. Even if you are not going to the Rally, someone else who is going would be only too happy to take your handiwork down to SA for you.

There will be an 8 x 8 x 8 x 8 workshop at the Rally that may interest some members. The object of this is using 8 ply acrylic yarn, size 8 needles, making 8" x 8" knitted or crocheted squares, any pattern or colour combination and bring them to the Rally, or send with a friend. There will be a workshop at the Rally to sew them all together – and lots of chatting at the same time I would think – a great way to meet caravaners from other Clubs and States.

If you are not already registered, please think about it. South Australia has always put on a great National Rally in the past and, I am sure, this will be no exception. Registration Forms can be found on their website – 18thnationalcaravanrally.org.au
