QCC PRESIDENT'S REPORT

Our February rally was held at Dayboro Showgrounds. The facilities at this venue are modern and the grounds are well kept. It is an ideal place for a caravan rally.

The entertainment programme was packed full of activities, all of which were very well attended. Activities ranged from Digeridoo lessons to golf chipping, craft, sewing and lawn bowls to name a few.

On Saturday afternoon a big crowd gathered to take part in the bocce competition. But, it was not long after the competition got under way that a storm with heavy rain and strong winds scattered the competitors and stopped play for the day. The popular bocce competition will now be played at the next rally at Millmerran.

Thank you to Tom and Jacky Smith for creating out of their photographic travel history the activity presented on Saturday night.

Money raised for our two charities comes from a wide range of sources. The club congratulates and is thankful to those members who give up their time both at rallies and at home to convert things into cash so that the cash can be donated. Those members do not seek recognition for their efforts, but their efforts cast a bright and favourable light on the public good done by our club as a whole.

The AGM is coming up on Saturday 30 April at Samford Showgrounds. Consider nominating for a position on the Committee, or, volunteering to help in a non-committee role. We are a large club and it takes a lot of people to run it. Ask the Club Secretary, Carol Day, for a nomination form.

Lance is our Web-Master. At the moment all the knowledge on how to carry out the Web-Master's job resides in Lance. Lance wants to encourage others with the necessary skills to learn the role and at some time in the future – but not immediately – to take over the reins.

The next rally is at Millmerran Showgrounds from 9 to 14 March, 2022. Thanks again to Carol Day for booking this venue when at short notice Chinchilla Show Society advised it was not able to accommodate us.

Travel safely and I will see you in Millmerran.

Shane Jones

Editors Comment:

Once again the world of Covid is changing with the dropping of mask wearing in some places. A reminder that QCC will need to abide by the rules of the individual Show Society whose venue that we visit. If they require that we wear masks and follow their rules....So be it.

Bocce Competition is On Again

Weather permitting—the Annual Competition will be held at Millmerran. Those members who volunteered to bring their own **bocce ball** sets, please put your set in your caravan now, so you do not leave it at home. Once again we will also be looking for some **GAZEBOS** for this event. If you have any, please bring them with you as it is still hot in MARCH.

Golfing News

The Pitching Comp went off with a Bang. Steve and his CO-Cheaters marked out the thirty and fifty metre pitching area. Some members were first off the rank with practice. Heard that one member had fifty seven practice shots. He convinced himself that he was going to win the comp.

The month before he had a hole in one at his weekly game. (Some will know who I'm talking about.....) On the day he played like a third grade player. Probably forgot to take his medication in the morning. In the end for the 30m Pitch—two people were in the ring—Bob Thomson and Ivan Burdett. The 50m Pitch was won by Tiger—Just outside of the ring. Golf is on again at Millmerran—Hope to see you all there.

AGM in April

Just a reminder to all members that all Positions on the committee will become vacant at this meeting. Please talk to a Committee member if you are interested in taking up one of the positions. This is an opportunity for you to learn a new skill—With the support of the club. **IS IT YOUR TIME TO GIVE BACK TO THE CLUB?** Please give it some thought.

Charity Collection

Queensland Country Women's Association

The QCWA (Annerley Yeronga Branch) through Lynn Cragg has asked that you keep some of the things you might normally throw away, as they can be recycled for charitable purposes.

The things that QCWA wants you to collect are: -

Plastic bottle tops (milk and soft drink bottles) – melted down to make prosthetic hands.

Plastic bread bag tags – given to flora & fauna charity.

Disused but clean bras- sent to Pacific Island nations.

Flannel, flannelette, and Muslin – made into baby wraps.

Used Spectacles – sent to Fred Hollows Foundation.

Other assorted cloth and material – used to make bags to hang off wheelchairs and bibs for the elderly.

Ribbons and lace – decorations on coat hangers, gifts.

Wool – turned into mittens, booties, and beanies for premature babies.

Other wool scraps – in the aftermath of bush fires turned into capes and mittens for koalas.

Wool – made into knee rugs, socks, scarves, and beanies for residents in nursing homes and the homeless.

Motel soap, shampoo, and conditioner – given to Domestic Violence Connect.

Used greeting cards and old calendars – used for scrap books especially for patients in children's hospitals.

Tea bag paper tags – collected for wheelchair charities.

If you would like to collect any of these things, please give them in bundles to Lynn Cragg or Linda Jones.

Big Rock—An Irishman, by the name of O'Malley proposed to his girl on St. Patrick's Day. He gave her a ring with a synthetic diamond. The excited young lass showed it to her father, a jeweller. He took one look at it and saw it wasn't real.

The young lass on learning it wasn't real returned to her future husband. She protested vehemently about his cheapness.

'It was in honour of St. Patrick's Day, 'he smiled.

'I gave you a sham rock.'

ABOUT Millmerran

Millmerran/mɪlˈmɛrən/, known as **Domville** between 1 June 1889 and 16 November 1894, is a town and a locality in the Toowoomba Region, Queensland, Australia. In the 2016 census, Millmerran had a population of 1,563 people.

The town is on the Darling Downs, 208 kilometres (129 mi) west of the state capital, Brisbane. The Gore Highway passes through the locality from the north-east (Yandilla) to the west (Captains Mountain). The Millmerran–Inglewood Road (State Route 82) runs to the south. State Route 82 enters Millmerran from the north-east concurrent with the Gore Highway.

Millmerran is near a lookout commonly used by the local Jarowair Nation Aboriginal population prior to European settlement and the town's name is believed to be derived from two words - "meel" meaning "eye" and "merran" meaning "to look out".

European settlement in the Millmerran area began in 1841 when the Gore brothers established the vast Yandilla station. Yandilla station covered an estimated 1,780 square kilometres (690 sq mi) and hosted its own school with 20 to 30 students, telegraph station and store. Closer settlement began after the passing of the Crown Lands Alienation Act in 1876, which allowed Edward Walpole to select a portion of Yandilla station. In 1881, Walpole established a general store on the site of what was known at the time as Back Creek.

A postal receiving office was opened with that name on 8 July 1883. It was elevated to the status of a post office, and the name changed to Domville, on 1 June 1889. The name was again changed to Millmerran on 16 November 1894. (Today, Domville is a rural locality south of Millmerran.)

St Alban's Anglican church was dedicated in 1907. Its closure on 12 June 2007 was approved by Assistant Bishop Nolan.

In 1911, the Millmerran railway line reached the town.

Millmerran also has a vibrant town centre with two large grocery outlets (IGA and Foodworks), two large hardware stores (Mitre 10 and Home Hardware), a bakery, a 24-bed public hospital, medical centre, modern large equipped sports centre and Olympic-sized swimming pool, and a large community centre complete with ballroom

The Millmerran Library is operated by the Toowoomba Regional Council. It is located on Herbert Street and is open five days a week (Monday through Friday).

For visitors, there are two caravan parks and an independent camping area for self-contained travelers.
