PRESIDENT'S REPORT
CROWS NEST SHOWGROUND
JANUARY 2024

The theme for the January rally was Australia Day. It was a smaller number of caravans this rally. Probably the festive season and time to catch up with family members. And again, the rally Marshals did a great job. It was a shame our convenors were not able to make it to this rally because of car trouble, I think I heard someone say he should get a Nissan. But in their absence John the caretaker here was very helpful and we were able to use the urn in the kitchen so we had hot water available we just had to bring our own tea or coffee milk and sugar.

There was a koala in a tree near the amenities block, when I went to have a look, he was right at the top of the tree where the branches were moving around quiet a bit but yes, I saw him he has been named George.

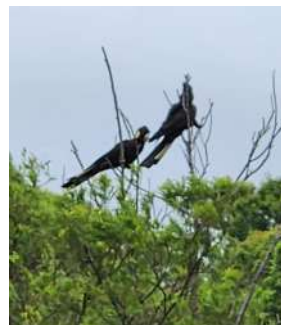

On the Wednesday caravans started rolling in about 18 to 20 that afternoon and it was a little hot. Before we knew it was time for happy hour. There was a little rain in the night but by morning it was a nice fine day. Thursday morning the walkers were out and about getting their exercise. Heather Edney and Desley Hinson were the only ladies that played golf this rally and said the golf course was in very good condition but a little tricky finding which way to go after finishing some holes. By 11 o'clock some rain showers on and off for the rest of the day.

Pat Barr looked after the card making group this time in Bev's absence and I am sure all the ladies that were making cards did a great job and had a productive session. By the afternoon most of the caravans had arrived. Then it was time to find some shade for happy hour, some members went out for dinner, others had take away fish and chips. Some of us played cards on Thursday night.

Friday morning started with the walkers and the bike riders heading down and around town. There were about 10 men golfers on the course and it was a nice cooler morning perfect to be out hitting a little white ball. 8am Health and Well being weigh-in with Minnie and I understand there was a very good rollup. Friday night more people played cards.

Saturday morning Forum started off as usual and it was nice to see back at this rally Nev and Susan Kerkin and Owen Noffke and Jan Kirby again. Our Sunshine lady this rally was Fay Bell filling in for Pam MacDonald and Fay did a very good job, but we received the sad news that Ray Steele had lost his fight for life which he had been battling for many years. This rally there were no first timers no second timers or no third time inductions very seldom that this happens. No awards this rally also. After the forum we moved onto our General Meeting this moved ahead pretty quick as there wasn't much on the agenda. After the meeting Bert Beker was taking the art class, I poked my head in and was surprised with what I saw was being drawn. Saturday afternoon it was fun Aussie games with Linda Jones, lots of laughter and fun.

Sunday morning started with Olive Jones doing our Forum good job again, and we wish Noel all the very best for his hip surgery, and good luck keeping him resting after it you might need to tie him down.
