### President's Report Allora

Wednesday afternoon, some of us had only just arrived with enough time to connect power and water and get the awning out and fastened down before the rain came down, and, come down it did. Some members went out for dinner to the local hotel, and enjoyed a lovely meal.

It was nice to have at this rally Adrian Savage, also Paul and Di Brealey and Terry and Denise Park. Day visitors we had Ian and Gwen Egan and Bill and Denise Waycott. No first second or third timers at this rally.

Thursday as usual walkers out early. 1pm Card making with Bev. 2.30 Art class with Michael. So many of the members are very talented.

Friday started with the early morning walkers again. The golfers had some fine weather to start their day off. The results for golf were as follows, third Jim Holt on 37, second Dennis Edney 37 count back, and first Daryl Kays on 35.75. Next rally no golf maybe a chipping competition. The Mental Health and Wellbeing weigh-in. I hope everyone is getting benefits from this. The crafty ladies chat group, I am sure there is more chat than craft that gets done. Quilting with Fay, the quilters have been very busy for most of the year and their quilts are progressing nicely. Sewing with Olive, there was lovely work on display on Sunday Morning. Lawn Bowls numbers were down a little but I am sure all the players had a pleasant afternoon.

Saturday Morning a little different this time, our Club Forum started at 9.00. Awards for 50 rallies achieved by Trevor and Mavis Martin and 100 rallies by Graham and Pat Barr. Congratulations to both couples. The forum was followed by our General Meeting, and then morning tea.

After morning tea we had a Cyber and Crime Prevention Presentation by Detective Sergeant Ian Wells and Detective Senior Constable Brett Weder or as they are better known, Batman and Robin the dynamic duo of cyber crime prevention. It sure was an eye opener, very interesting, and, we should have all learnt something from it. A huge thanks to Gail Caddies for organizing it.

Saturday Afternoon was Horseshoe pitching and at the end of it all the runners up were Ray MacDonald and Daryl Kays and the winners were John Miers and John Adams. Well done to everyone who participated.

Entertainment was all about Halloween, Witches and Warlocks and with a few games. The costumes made it a challenge to recognize some people but a fun night for all.

Sunday morning walkers, pay our camp fees, and morning tea with last chance to get more raffle tickets before Sunday Forum. Well done Olive. To those members going on the Melbourne Cup Cruise, We wish you a safe, enjoyable trip with clear weather and maybe lucky enough to back a winner.

Next Rally 6 to 11 November at Samford Showground stay healthy, safe travels hope to see you there.

President Steve Langley.

## 2024 CHRISTMAS CHARITY GIFT GIVING Supporting BlueCare Toogoolawah Alkira Aged Care Facility's Occupational Therapy

In 2023 Club members opted not to continue with the 'Secret Santa' at the Christmas Rally. Instead members voted to support a local charity with the donation of toys for its Christmas appeal. This year the members present at the Pittsworth Rally voted unanimously to support the Alkira Aged Care Centre in Toogoolawah as this is where the Christmas Rally will be held.

Contact was made with the centre's occupational therapist to gauge the needs of the 38 residents. She advised that the facility would greatly benefit from any donations of craft materials, namely felt and acrylic paints along with games such as but not solely, Scrabble, Connect Four, DVD featuring nature or old comedies and romance as well as large piece jigsaw puzzles.

To facilitate this members, attending the Allora Rally, were invited to choose a Christmas tree from the pin board display on which was listed an item to purchase and bring or send to the December Rally. This was done so that we might cover all bases and not double up on items while some requests be left unfilled. Even if with the best intentions 50 tubes of white paint would be of little use to anyone when a variety of colours is what is needed.

As per last year the gift giving will be anonymous as no record has been kept of who has selected what to bring what for their contribution and participation is purely voluntary.

For those that were not in attendance at Allora the Christmas trees will be available at the Samford Rally and if you will not be in attendance until the December Rally but still want to participate please make contact with Vice President, Olive Jones (mb 0407 640 993) for suggestions on what your contribution could be.

A big thankyou goes to Bev Green for making all of the Christmas trees for this project. We all appreciate your time and the resources you generously provided.

## Lance Haslewood OAM

Lance Haslewood has flown with Prince Charles, Princess Diana, Prince William, Prince Phillip, the Queen, Malcolm

Fraser and Bob Hawke and other notable VIPs, but it is his commitment to keeping Royal Australian Air Force personnel connected that's earned him a Medal of the Order of Australia in this year's King's Birthday Honours List.

Lance has been working to preserve records of the service of RAAF personnel for almost 30 years after founding the RAAF Airman Aircrew Association – a mission which contributed to him being awarded his OAM. He says the association is more than a means of recording the service of members – it also keeps their mateship alive and people in contact. In addition, Lance has served as a Justice of the Peace in both New South Wales and in Queensland spanning over 40 years. Lance is also prominent in several clubs such as the Woodford RSL where he spent several years as secretary, Queensland Caravan Club, NSW Torana Club, Caboolture Regional Car Club (President), and the Sunshine Coast Torana Appreciation Club.
